2016 Charities
Goal: \$10,000

Common Ground provides a lifeline for individuals and families in crisis, victims of crime, persons with mental illness, people trying to cope with critical situations and runaway and homeless youths. Helping people in need for more than 40 years, Common Ground serves more than 40,000 individuals per year.

The mission of Forgotten Harvest is to relieve hunger in the Detroit metropolitan community by rescuing surplus, prepared and perishable food from grocery stores, restaurants, caterers, dairies, farmers, wholesale food distributors, and other Health Department approved sources - that would normally go to waste. Food is delivered free of charge to emergency food providers throughout metro Detroit. Forgotten Harvest was formed in 1990 to fight two problems: hunger and waste.

FERN CARE
FREE CLINIC

The mission of FernCare is to provide no-cost medical care to the medically uninsured and under-insured residents of Ferndale and surrounding communities. The clinic treats persons from 19 through 64 years of age with no medical insurance and no primary care provider. They provide primarily non-emergency maintenance care of chronic illness, do checkups, dispense generic medications, provide lab testing, provide benefits counseling, enroll patients in the Prescription Assistance Program if needed, assist enrollment in the Affordable Care Act Insurance Exchange and Healthy Michigan and make specialist referrals for obstetric, dental care and other care beyond our scope of service during medical clinic sessions. In addition, they also offer in-depth counseling (6 – 12 sessions) for our patients and on-going diabetic support workshops outside of the clinic sessions.
